

DRIFT AWAY - MOROCCO 2023

DRIFT AWAY - MOROCCO
12 - 17 OCTOBER 2024

Join us for a very special
DRIFT Retreat with AMAYOUR SURF:

Five nights of Drift in Tamazirt

Tamazirt is a stunning villa placed in the hills of Agouni. This rural Berber village is set in the foothills of the Atlas mountains, just minutes away from the coastal villages of Taghazout and Tamraght. It's location is idyllic - peaceful, tranquil and calm. Agouni is close enough to the beaches and excitement of Taghazout, yet far enough away to really get close to nature. The only passing traffic is the occasional herd of goats.

Come with us and drift away, experiencing the real Morocco.

It's the first dedicated retreat space and tourist accommodation in the area, boasting a huge sun terrace, yoga shala and private pool which all overlook the Moroccan countryside and the Atlantic ocean.

Amayour co-owners Shiraz Ksaiba and M'hand Naciri, who have been running retreats in Taghazout since 2015, are ready to lend their local knowledge to guide you through your Moroccan retreat week so you can spend your time looking after your guests and enjoying your beautiful Tamazirt retreat.

TAMAZIRT'S LOCATION

The Retreat will be run by Natalie Fox and Rebecca Coley. The retreat will have a theme that will run through all our meditations, yoga and workshops. We'll have surf theory sessions and daily yoga sessions with Nat. We'll have early morning meditation with Beccs before breakfast. Nat will offer morning vinyassa yoga and yin or restorative yoga later in the day.

NATALIE FOX - Originally hailing from Stratford-Upon-Avon, Nat is proof that coming from a land-locked place does not stop you becoming a sea lover. Nat was drawn to the ocean after studying media, began surfing in Cornwall and continued to pursue her love of pointbreaks around the world, becoming an ISA surf coach in 2008. Nat has practised yoga for over fifteen years, originally attracted to aid her surfing but fell in love with its traditional and spiritual philosophy and in 2011 she travelled to India to train in Quantum Yoga and she has trained in Yin yoga focussing on restorative postures and mindfulness techniques. She has taught surfing and yoga all over the world. Nat is a Roxy Fitness Ambassador, an advocate for marine conservation, having volunteered for Sea Shepherd, Surfers Against Sewage Representative and co-founding of Women for Whales. Nat runs Snow Drift and Drift Away Retreats when she's not off expeditioning around the world.

REBECCA COLEY began DRIFT Retreats seven years ago after she moved back to Jersey from London, feeling a strong urge to 'retreat' and get back to the sea. Born and raised on Jersey, Rebecca spent much of her childhood on the beach and spent a couple of years managing a surf school in between studying and trained as a life-guard and surf coach as well as becoming a filmmaker. Rebecca is also a meditation teacher and is passionate about reconnecting with nature and encouraging others to do the same. She is an advocate for cold water swimming, getting in the sea all year around and she loves storytelling and bringing like-minded people together to share inspiring experiences together. Beccs will run morning meditations on the Retreat and host and look after you alongside Nat and the Amayoursurf team.
